# College Planning and Counseling

*Pollack Educational Consulting Services*

**Do you know  
which college path  
to take?**

# Have you asked yourself these Questions?

1. Would your child benefit from one-on-one college counseling in a more relaxed environment?
2. Do the colleges that have been suggested for your child seem off base and a mismatch according to your child's abilities, interests, and preferences?
3. Do you feel that your child would respond best by working with an "outside" and unbiased professional who will help foster communication between everyone and who will cater to **his or her** needs?

If you answered "**YES**" to any of the above questions, then...

Hiring an educational consultant is a great choice for you and your child and a good way to evaluate your educational options.

At Pollack Educational Consulting Services, we offer a complete range of services to meet each student's needs. We offer a variety of comprehensive counseling packages as well as personal consultation services.

## Our Professional Services Include:

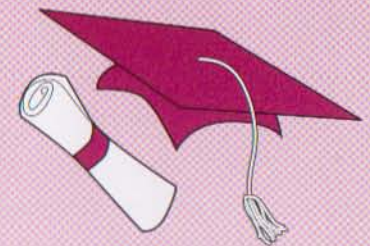

-  Advice on course selection, extracurricular options, and recommendations for summer programs
-  Test preparation ideas and information about testing options and registration deadlines
-  Resumé and Essay Assistance
-  College Major/Career Exploration using the "Do What You Are" personality/interest assessment
-  "Best Fit" school recommendations
-  Preparation for College Visits and Interviews
-  Application Review and Assistance
-  Final Choice and Wait-list Assistance as needed
-  Financial Aid and Scholarship information and advice
-  Guidance for Special Needs students (ADHD, learning disabilities) regarding college placements

Going to college should be a wonderful experience - a time to be independent, explore new academic challenges and experience a variety of social opportunities. However, the college application process can be overwhelming and stressful, with competitive admission standards, lots of choices, essays to write, and applications to complete.

Many factors need to be considered before choosing the right college. Knowing how to assess your needs, interests, and goals is the first step.

Pollack Educational Consulting Services can make the college selection and application process less frustrating for students and parents by providing step-by-step guidelines and a goal-oriented approach.

We help students highlight their academic and extracurricular accomplishments, unique abilities, and overall strengths in a variety of ways.

At Pollack Educational Consulting Services, we want your child to experience success and be happy.
